

WORSHIP AND MUSIC

We are looking for a committed Christian who has a passion for seeing people growing in their faith through music and worship. It is a dual post with your time divided between worship and music and being a member of a second team: House, Kitchen, Admin or Estate

Scargill House is an ecumenical Community and we often have guests here from different church traditions, and so our worship reflects this.

Music plays a regular part of the evening entertainment we offer our guests, and our regular Thursday and Sunday services are never dull!

Over the course of the year there will be the opportunity to be involved in All Age Worship, as well as Taizé services. It might be that you have something new you would like to share with us?

This post is for 2 years with an initial 3 month probationary period. We currently have accommodation for this role that would suit people who are single.

Overseas applicants must be able to demonstrate that they have the right to work in the UK.

If you are interested and feel a call to community, please contact us on di@scargillmovement.org
